

Keeping Safe At School

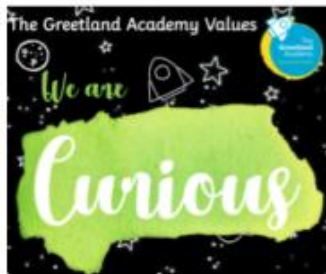

In our school, we respect everyone
and want to keep you safe and help to
protect your rights.

Safeguarding

Safeguarding means keeping children **safe** and **happy** in school and teaching children ways to stay **safe** outside of school

What things happen at school to keep you safe?

The Greetland Academy

Anti-Bullying Charter

In our school we have decided that bullying is:

Repeated – it keeps on happening

Deliberate—causes hurt to another person on purpose

Bullying goes against our school values of being

Healthy, Respectful & United.

An act of bullying could be:

Verbal – saying unkind things

Physical – kicking, pushing, hitting etc

Emotional – not letting another person join in; excluding somebody on purpose; telling others to be unkind to someone

Online/Cyber –posting on social media, sharing photos, sending nasty messages

Bullying is NOT:

A 'heat of the moment' incident

A fall-out

A disagreement or difference of opinion

An accident

PRIVATES ARE PRIVATE

ALWAYS REMEMBER YOUR
BODY BELONGS TO YOU

NO MEANS NO

★ SAFE SQUAD ★

Don't keep it a secret if someone is:

- Saying things that upset you
- Hitting, punching or smacking
- Touching you
- Sending unkind messages on the phone or on the computer
- You are worried about someone or something at home

How are we going to protect you?

We will provide a safe environment for you to learn in. We want to ensure that you remain safe at home as well as in school.

We think that it is important for you to know where to get help if you are worried or unhappy about something.

All adults in school are trusted adults, who you can talk to at anytime; the staff below are specially trained to help you and your family.
