Curriculum Focus

PHONICS: On the second week back, the National Phonics Screening Check will take place. For the following weeks after this, we will continue to learn that graphemes can make different sounds and that sounds can be made with different letters.

We will be reading 'The Lighthouse Keeper's Lunch' and 'The Tiger'. We will continue to work on our oral composition when retelling and reinventing stories using high level vocabulary. We also continue to master our transcription skills including letter formation, spelling and punctuation which will overall support our writing fluency.

Maths: This half term we will be describing position, direction and movement. We will finish our place value topic by learning how to count, read and write numbers to 100, identify and represent numbers using objects, pictorial representations and a number line and to identify one more and one less than a given number.
