

# YEAR 4 Summer 2, 2025

Mrs Emmerson & Mrs Stewart

## Welcome back!

We cannot believe that we are nearly at the end of another school year! We have been so proud of how the children have worked so far and we know that they are nearly ready to move into their new classes. In our second week we have the Multiplication check that we have been working towards all year. The children have all practiced so hard for this and we are expecting great results!

We also have our Y4 showcase where we will share our learning with you, a trip to Eureka to explore our science topic and not forgetting Sports Day, transition day and our end of year reports! A busy but exciting half-term!

## Reminders

**This half term PE is on MONDAY and THURSDAY.** Your child needs to come in their PE kit that day. We will try and do PE outside as much as possible so please send your child in appropriate clothing.

If children are bringing their own packed lunches to school, please can we remind you that we are a nut free school.

**Homework: sent home every FRIDAY  
to be returned the following FRIDAY.**

**Reading books: sent home every other THURSDAY  
and to be returned every other THURSDAY.**

## Curriculum Focus

**English:** This half term, we will be writing with two outcomes; firstly to provoke an emotional response, then to inform. Our key text will be 'Dream Giver'. We will be building up to writing our own narrative about a dream. We will recap the use of fronted adverbials to add detail to our writing and also consolidate the range of punctuation that has been taught this year.

**Maths:** We will continue our work on time, focusing durations of time, before studying properties of shape. We will be identifying acute and obtuse angles, comparing angles and recognising straight angles. We will start to classify shapes based on their properties and size, identify lines of symmetry and complete a simple symmetric figure.

**Science:** Sound - how is sound made?

**Geography:** Where does our food come from?

**MFL:** French food

**Art:** Every Picture Tells a Story

**Computing:** Computing systems and networks: collaborative learning

**Music:** Adapting and transposing motifs (Romans)

**PE:** Athletics

**RE:** Why do the lives of the Gurus inspire Sikh believers?

**PSHCE:** How will we grow and change?

## Key Dates

**Return to school:** Monday 2nd June

**FOGS Father's Day pop up shop:** 2nd - 13th June

**MTC check:** WC 9th June

**Refugee Day of Welcome:** Friday 13th June

**Respectful Week:** WC 23rd June

**Y4 Showcase afternoon:** Friday 27th June

**Sports day:** Wednesday 2nd July

**Transition day:** Friday 4th July

**FOGS Summer Festival Day (Non Uniform Day):** Thursday 10th July

**Science trip to Eureka:** Thursday 17th July

**School closes:** Friday 18th July
